

TECHNOLOGY CONTRACT

Young Person

My Technology is _____

I will not share my or anyone else's personal information including date of birth, name, address, phone number and school details with anyone online.		
I will not post personal information on my profiles. I understand that sharing such information could be dangerous if it reaches someone who wants to harm me or others. I fully recognise this could be a threat to my safety.		
I understand that anything I post on the internet about myself or anyone else could be distributed across the world without me knowing or giving permission. Even if I set up things to be private I have no guarantee they will be protected. I recognise there is no such thing as real privacy when I use the internet.		
While I am online I will be respectful of others and will never threaten, humiliate, embarrass or bully anyone. I will always treat others the way I want to be treated online.	I will never use vulgar or sexually explicit language and if someone else begins using that language online to me I will immediately stop communicating with them.	
I will not visit sites that are inappropriate or I don't understand.	I will not send photos or videos to people I don't know.	
I will tell a parent/guardian if I want to meet with someone I have met online.		
I will tell a parent/guardian if someone I have met online asks to meet me. I will not do anything that someone online asks me to do unless I have discussed this with a parent/guardian and they have said it is ok. I will not phone, write or meet someone I have met online unless my parents say it is ok.		
I will tell a parent/guardian/someone I trust if anyone is mean to me online/hurts my feelings or I have got into a difficult situation and don't know what to do.		
I will talk to my parents/guardians about our rules for using the internet.	I will help my parents/guardians learn more about the Internet.	I will help them to understand what I do and which internet sites I use.
I understand that while I am communicating with people I don't know they could be deceiving me and may not be truthful about who they really are and what their intentions are towards me. I won't answer emails, messages or friend requests from people I don't know.		
I know that if I break any of the conditions of this Contract my parents can take away my access to the internet including my computer and phone.		
Name		
Date		

Parent / Guardian

- I will get to know the services and websites my child uses.
- I will set reasonable rules and guidelines for computer/phone use by my child.
- I will respect my child's privacy when they are using the internet or other technology.
- If I have a concern I have the right to access their online accounts and/or website logs.

If my child breaks any of these contract conditions then he/she will receive the following consequences:-
