Fundraising ideas

Organised challenge events

Want to take on a physical challenge whilst supporting the amazing work we do?

Getting involved in an organised adventure is the best way to do this! We always have spaces in organised challenges and adventures such as marathons and cycles for you to choose from! Find out what challenges we currently have available at

www.breckfoundation.org/fundraising

You don't have to do the runs, walks and cycles that we organise, you can sign up for any run, swim, cycle or hike challenge you like and raise money! Make sure to let us know so we can send you a t-shirt and help you with your fundraising page.

Your own fundraising idea

Don't feel you have to push yourself to extreme physical limits to fundraise, there are so many ways you could help support our work:

- Bake sale & coffee morning
- Games night (board games or video games)
- Dinner party
- Bungee jump
- Sky dive
- Car wash

a recent fundraising poker night run by brilliant Breck fundraisers!

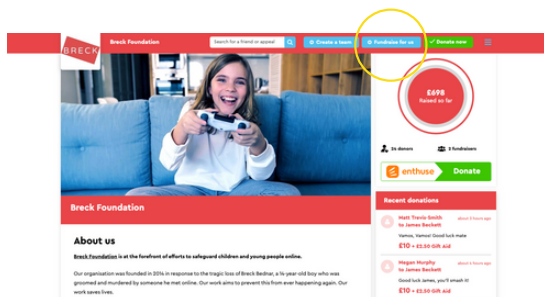

Setting up an Enthuse page for your own fundraising idea

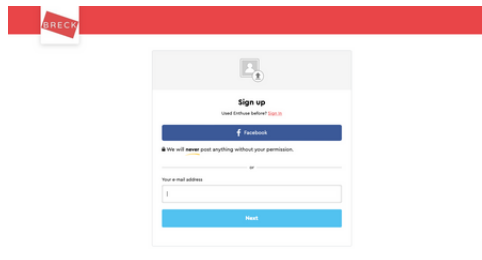

Enthuse is our official charity platform, all Breck Foundation fundraising must be completed through this platform.

1. Go to <https://thebreckfoundation.enthuse.com/profile>

2. Select the button in the top right 'Fundraise for us'

3. Create an account and go through the simple steps to set up your own page.

4. Once completed your page will be linked to our main page at the bottom - like in this image

5. Now you're all ready to share your page and start fundraising, and don't forget to look in the supporter pack for fundraising ideas

Fundraising goal ideas

£250

funds the virtual delivery of our online safety lessons to two whole year groups of students.

£500

allows us to provide in-person education for a whole primary school of young children about Breck's story and how they can spot, avoid and report online dangers. Your fundraising would allow us to deliver these talks to schools that exist in the lower 50% of the Index of Multiple Deprivation.

£1000

funds the training of 150 trainee teachers so that they can spot the signs of grooming and exploitation in their pupils. Once trained these teachers can help stop online crime and save lives.

£2000

would allow us to attend 6 schools and empower more than 2000 pupils with essential online safety skills.
